

Corrections Service Opportunities!!

The Ramsey County Adult Detention Center (Jail) wants groups and people to host AA meetings at the Jail at 425 Grove Street in Saint Paul. Available days are Sunday thru Wednesday and Saturday, times are flexible.

At this time only one single AA meeting per month is held at the Jail and attendance at this is limited, so inmates can possibly spend 6 or more months in the Ramsey Jail without having even one chance to attend a meeting.

The Programs Officers at the Jail are anxious to remedy this and will be pleased to hear from groups and members of our Fellowship who wish to help meet this need. All community volunteers at the Jail must be pre-screened and attend an orientation session, but the Program Officers make these requirements fairly easy to meet. (One proviso is that if one is "on paper", they are ineligible to participate until their parole or probation is completed.)
