“None of us would be here today if somebody hadn't taken time to explain things to us, to give us a little pat on the back, to take us to a meeting or two, to do numerous little kind and thoughtful acts in our behalf. So let us never get such a degree of smug complacency that we're not willing to extend, or attempt to extend, to our less fortunate brothers that help which has been so beneficial to us.”

Dr. Bob, Dr. Bob and the Good Oldtimers
