Web Site activity since 15 August 2006

The following activities have occurred since the last Intergroup Council meeting:
- The Lifeline newsletter, events, minutes, meetings and announcements were updated as requested throughout the month.
- Added the tag line "A Local Service Office of Alcoholics Anonymous" to the header of all the pages on the site.
- Added a meeting statistics page to the site. Do you know the most popular time and day for a meeting? From the menu on the right hand side of the site, select "Statistics" and then explore the options on that page to find out.
- There are 549 regular weekly meetings in the area served by this local service office.

Statistics for the Months of August 2006

This is a recap of the interesting bits of the web site usage statistics which are on the back of this report.
- Another record number of pages served this month, and visitors were down slightly, so people are looking at more pages when they visit.
- People get to the site most often from Google if they don't know our web address which is: www.aastpaul.org

General

Please take this back to your meeting so that others can see how your Intergroup is serving the AA community through the web site.

If you know anyone in the fellowship who is a serious web developer that has PHP, MySQL and other web development skills, and is looking for a great service job, it would be helpful for them to contact me via email at: webservant@aastpaul.org.

Just a reminder: If your group is having a special event with AA content, like a group anniversary potluck meeting with a speaker, you may forward the flyer to me to be posted in the events directory.

If you have any other questions, please contact the office, or email me directly at the address above.

Thanks for allowing me to be of service to you,
Jonathan
