

Web Servant Report

Web Site activity since 15 September 2009

In addition to the regular activities of maintaining the site (meeting updates, events, and other changes requested by the office) the following activities have occurred since the last report:

- Progress continues on the creation of the Intergroup management application being built to replace the current website.
- Updated the Contact page with the new Tuesday hours, and the Night Owl page to include the shift that was resurrected for Tuesday evenings.
- There are 624 regular weekly meetings supported by 265 groups in the area served by this local service office.
- There are service opportunities available on the Web site.
- There are open recurring Night Owl Shifts.

Statistics for the Month of September, 2009

This is a recap of the interesting bits of the web site usage statistics, which are on the back of this report.

- We set new record highs for visitors, however total pages served, and meeting searches were down slightly again this month.
- Various spam postings listing our web address actually refer more people to our site than either Microsoft search engines, AAWS, or Yahoo!
- Our primary web address is: www.aastpaul.org also reachable at aastpaul.org without the www

General

Please take this back to your meeting so that others can see how your Intergroup is serving the AA community through the web site.

Just a reminder: If your group is having a special event with AA content, like a group anniversary potluck meeting with a speaker, you may forward the flyer to me to be posted in the events directory. Please remember that any flyers that you request to be posted must comply with the traditions for inclusion on the website; including, no last names, no promotion, and must have AA content.

If you have any other questions, or suggestions, please contact the office, or email me directly at webservant@aastpaul.org.

Thanks for allowing me to be of service to you,
Jonathan
