OUR RESOURCES

Group Contributions

- Only 13% of A.A. groups in St. Paul contribute to Intergroup in any given month

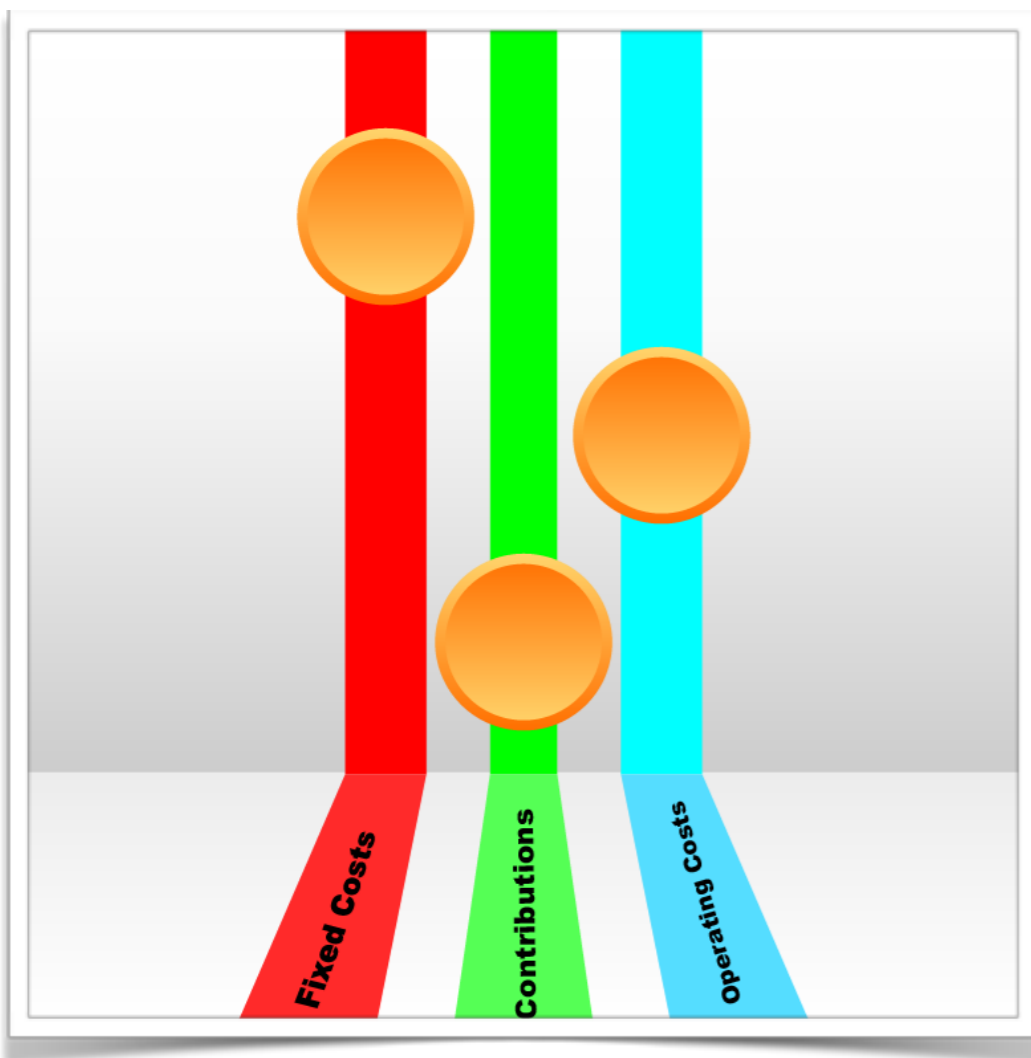

Faithful Fivers

- Less than 20 A.A. members in St. Paul are Faithful Fivers

OUR REQUIREMENTS

In order for Intergroup to help the A.A. groups in St. Paul carry their message, the things listed must be in place. As was once said by a Regional Trustee: *“The water (A.A. program) is free — but the piping (services) costs money.”*

OUR CHALLENGES

- Reduced sales over the last few years
 - Reduced Contributions as well
 - Little increase in the number of Faithful Fivers
-
- Cost of inventory (Literature and Merchandise) is increasing
 - Potential increase in facilities leasing costs of \$250 to \$500 per month
 - Need to add software to better manage volunteer efforts - potential cost \$80/month
 - Ongoing staff training on software and hardware

**Intergroups progress
and survival rests in our
hands.**

We Can!

WORD OF MOUTH

If **every** group in St. Paul were to increase their contribution to St. Paul Intergroup by \$10.00 per month we would be in very good shape going forward!
