

# Web Servant Report

Web Site activity since 17 November 2020

---

## Activities

In addition to the regular activities of maintaining the site (meeting updates, events, and other changes requested by the office) the following activities have occurred since the last report:

- There are 784 regular weekly meetings supported by 291 groups in the area served by this local service office. Down 10 meetings since last month. The downward trend in the number of meetings seems to be reduction in duplicate virtual meetings that have been listed to replace in person meetings, however some in person meetings are coming back.
- There are service opportunities available on the Web site, take this back to your group for discussion.
- There are open Night Owl shifts.
- Several items are in process on the site, but data maintenance and other extenuating circumstances have prevented much work being done on them. If you know someone who is interested in assisting in doing PHP development or data maintenance on the website, then please have them reach out to [webservant@aastpaul.org](mailto:webservant@aastpaul.org). The items being worked on by the team are:
  - The solution to blocking bots looking for pages that don't exist that throw off our page statistics is more complicated than expected. Solution still pending.
  - Investigated the request to automate selection of virtual meetings. Some issues with the development environment prevented much progress.
  - Repairing the volunteer and night owl volunteer forms
  - Building a maintenance interface so the office can do edits to the meeting data.

## Statistics for December 2020

This is a recap of the interesting bits of the web site usage statistics, which are on the back of this report.

- Traffic counts were mostly down for the month with the exception that meeting searches and home page views were up from November.
- Changes in traffic year-over-year is down, mostly we believe from linking our meetings to the MeetingGuide. More people came to the home page in 2021 which is hopefully new people looking for recovery.
- Our primary web address is: [www.aastpaul.org](http://www.aastpaul.org) also reachable at [aastpaul.org](http://aastpaul.org) without the www.

## General

Please take this back to your meeting so that others can see how your Intergroup is serving the AA community through the web site.

Just a reminder: If your group is having a special event with AA content, like a group anniversary potluck meeting with a speaker, you may forward the flyer to me to be posted in the events directory. Please remember that any flyers that you request to be posted must comply with the traditions for inclusion on the website; including, no last names, no promotion, and must have AA content.

If you have any other questions, or suggestions, please contact the office, or email me directly at [webservant@aastpaul.org](mailto:webservant@aastpaul.org).

Thanks for allowing us to be of service to you, your group, and the fellowship,

Your web team,  
Sergey, Jonathan, and Seth
